Bruce

The dates and times below will work. Please check in at the airport maintenance shop @ 6518 Ellis Ave. S. I will issue temporary visitor badges at that time.

Patricia Tonsgard
Airfield Maintenance Supervisor

Subject: King County Industrial Waste Program - Stormwater Sediment Sampling at KCIA

Hi Patricia;

Here is the map showing the locations of the stormwater vaults we are going to sample. We are also going to sample one catch basin (No. 1741) which is not on this map.

In total, we are planning to sample 8 stormwater vaults and the 1 catch basin for sediment.

We will be conducting the work from Tuesday June 6, 2006 to Thursday June 8, 2006. We will need a KCIA escort from 7:30 a.m. to 4:30 p.m. on those days.

Also, we would like an escort in order to conduct a reconnaissance of all the sample sites on June 1, 2006 between 8:30 and 12:00.

Please let me know if these dates/times are okay and if we need to check with anyone to get security badges.

Thanks,

Bruce
